Welcome to Hottober! We survived Sweateember and we are ready for the Fall. Maybe the temps will drop down to the low 90's! That's called an East Texas Cold Front! One thing that is true of October in our church is that we have several events coming up that we are preparing for and that will take place. One of course is our Fall Festival. This is a great opportunity for you and your family to reach out to your friends and neighbors and invite them to come and enjoy the fun with us! That is the point of these kind of events, to reach out and to encourage in a way which leads to discipleship and evangelism in the lives of those around us! I HOPE YOU PLAN ON BEING A PART! There is still time for you to help out. If you would like to help you may do so by contacting Andie Burks or the office and there you will find some direction. We are also preparing for this years Syrup Festival. The Syrup festival is a fund raising/ministry event in which we raise funds for our short term mission trip ministry. This year we are also going to concentrate on reaching out and evangelizing those who we come in contact with. I hope you will be a part of this effort as well.

Missions, evangelism, discipleship, reaching out and reaching in...that's what we are about at SSBCH. We know that the context can change, our circumstances can be different than they were a year ago, however, one thing remains the same. We are called to reach our community with the gospel of Jesus Christ! No matter what may be said of our Church, let it be said that we are consumed with sharing the good news of the gospel of Jesus Christ with those around us! If we are going to fight let us fight for the souls of men and women and boys and girls! I leave you with this statement of Charles Spurgeon so that it may both encourage you and at the same time motivate you to be involved with the outreach ministry of our church. Thank you for allowing me to lead you in this effort!

“If there existed only one man or woman who did not love the Saviour, and if that person lived among the wilds of Siberia, and if it were necessary that all the millions of believers on the face of the earth should journey there, and every one of them plead with him to come to Jesus before he could be converted, it would be well worth all the zeal, labour, and expense. If we had to preach to thousands year after year, and never rescued but one soul, that one soul would be full reward for all our labour, for a soul is of countless price.”

Blessings,  
Jack

### Operation Christmas Child

November 18-25, 2019

October will be the last month for the church to collect Operation Christmas Child Shoebox items for this year. We will kick off Operation Christmas Child later this month! In November we will have a church wide packing party to pack boxes with the items that have been collected throughout the year. As we have in the past, boxes will also be made available for families and individuals to pack on their own. This years in gathering will be, Sunday November 24th during the morning service. This month we will be collecting what we need more of: balls (foam or deflated w/a pump), headbands, teen girl items, miscellaneous toys, & bar soap. We will also take monetary donations to go toward the shipping cost of the boxes that will be packed during the packing party (shipping is \$9/box).
