

**Men's Bible Study**  
**Philippians 1**

2nd Meeting: Sunday, March 13 at 5:00 pm in the Cafe

**Weekly Objectives:** Continue reading through Philippians 1 and complete the following objectives before our first meeting. Don't worry about falling behind, or struggling to come up with answers. The purpose of this study is to stretch us, and grow our ability to study God's word. Sometimes that means having more questions than answers.

**Week One (February 20-26)**

Cross-reference the words and phrases you noted last month to see where else they appear in scripture. What sticks out to you? How does this better inform your understanding of Philippians 1, and vice versa? Write down anything that sticks out to you, or any questions that this brings up.

**Week Two (February 27 - March 05)**

Make your own outline Philippians 1. This challenges you to summarize the big picture ideas or themes throughout the chapter, and boil it all down to a simple sentence or phrase. Then, create an outline title for the chapter as a whole. (Try your hardest to accomplish this without the aid of referring to the outlines already provided in our bibles. You're looking to capture the big picture, not the minute details.)

**Week Three (March 06-12)**

Using all your notes, and time spent absorbing the chapter, paraphrase Philippians 1 using your outline as the structure.
