

**Men's Bible Study**  
**Philippians 2**

3rd Meeting: Sunday, April 10 at 5:00 pm in the Cafe

**Weekly Objectives:** Read Philippians 1 and complete the following objectives before our next meeting. If you fall behind, no worries! This study is formatted to purposefully take our time in examining the text. The goal is to strengthen your personal Bible study habits, and equip you to better study the Bible for yourself.

**REMINDER:** We are NOT looking to check boxes off a list. Complete as many of the objectives as you can, without worrying about "keeping up." If you don't complete each objective, that's okay. The dates are there for reference. You don't have to complete all the tasks in order to participate in the monthly meetings.

**Week One (March 13 - March 19)**

Use the MMAPS Bible reading method to break down Philippians 2. After you've MMAPSed it out, continue to read and pray through the chapter, digging for any treasure you may have missed the first time.

**Week Two (March 20-26)**

Looking back on your notes from chapter 2, use the BlueLetter Bible app and/or website to help define those terms and phrases which you highlighted. Make note of anything that sticks out. Does a word or phrase illuminate a fresh meaning in the original Greek? Are there any questions this brings about?

**Week Three (March 27-April 02)**

Cross-reference the words and phrases you noted last month to see where else they appear in scripture. What sticks out to you? How does this better inform your understanding of Philippians 2, and vice versa? Write down anything that sticks out to you, or any questions that this brings up.

**Week Four (April 03-April 09)**

Continue to cross-reference and define, while praying through the chapter. Read chapters 1 and 2 together once a day, so as to better understand the flow of the letter. This repetition will build your grasp of the text.

## MMAPS Bible Reading Method

Use the margins and notes pages of your scripture journal to note the following. If you run out of room, use the notes page provided or a personal journal.

#### **Meditate & Memorize**

- What words, phrases, or ideas seem particularly important, or repeated? Use colored pencils to mark repeated words or phrases.
- What does this text say about who God is, who we are, who Jesus is, and how we follow him?
- What is the main point of the passage?
- Is there anything in this passage that doesn't make sense that you might need to explore further? Is there anything that you want to ask about at our monthly discussion?

#### **Apply**

- **Head:** How does this passage challenge me to **Think** differently, about God, others, myself, the world?
- **Heart:** How does this passage challenge / change my **Desires**, what I want in my life, my family, or in the world?
- **Hands:** What does this passage call me to do, or not do? How should I **Act** on this passage?

#### **Pray**

Take time to use your breakdown and application of the text, and ask God to change your heart, mind, and life based on the time you've spent in His Word.

- **Praise:** How is God's goodness revealed in these verses? Take time to praise him for those attributes.
- **Repent:** How do these verses reveal your sin, unbelief, or inadequacy? Spend time talking to God about those things.
- **Ask:** What's one thing you'd like to pray for your life based on what you've read? What's one thing you'd like to pray for someone else based on what you've read? Write out your prayer to the Lord.
- **Yield:** Spend time talking to God about how you want to apply what you've learned.

#### **Share**

Commit to share what God has taught you with at least one other person (friend, spouse, teammate, teacher, parent, sibling, etc.).
